Customer Experience stages			
Phase of Journey	Stage 1: Discovery & Entry	Stage 2: Application Upload	Stage 3: Decision & Output
Actions	Browses landing page metrics and details	Fills form applicant inputs, uploads CSV	Receives decision, confidence and risk flags
Touchpoint	Smart Lender Home metrics dashboard UI	Dual-tab evaluator client form, CSV uploader	Result card panel showing status and download link
Thought	"Is the accuracy reliable? What model is used?"	"Are all fields mandatory? Is CSV structure standard?"	"Why was I rejected? What risk factors failed?"
Feeling	Curious, interested in automated evaluation	Impatient but eager to get verified	Relieved (if approved) or clear on reasons (if rejected)
Process Owner	Alla Umesh (AU)	D. Siva Pranay (DSP) & J. Raju (JRJ)	L. Priyanka (LPB) & S. Vyshnavi (SVB)
Opportunities	Show real-time API latency details	Provide automatic imputation for missing inputs	Detailed instructions on how to lower risk scores
